

**The following denotes the Felician College policy with regards to Sex Offender Registration:**

The "**Campus Sex Crimes Prevention Act**" (section 1601 of [Public Law 106-386](#)) is a federal law that provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education, or working or volunteering on campus. The Act requires sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student. The law further requires that state procedures ensure that this registration information is promptly made available to law enforcement agencies with jurisdiction where the institutions of higher education are located and that it is entered into appropriate State records or data systems.
