APPLICATION INSTRUCTIONS

Admission to Felician College is as personalized as your education. We recognize that selecting a college is one of the most important decisions you will make, and our staff is here to help you every step of the way. So, feel free to give us a call at 201.355.1465 if you have any questions or need any assistance during the application process.

TO APPLY YOU WILL NEED TO SUBMIT THE FOLLOWING:

- Application for Admission (please type or print neatly and complete accurately and thoroughly)
- Official High School transcripts or GED
- Official College transcript(s) (transfer applicants only)
- SAT I or ACT scores (not required if you have graduated from high school one or more years before the semester you intend to enroll). SATs/ACTs are not required from international applicants who completed their high school outside the U.S.
- Personal statement or essay
- $30 non-refundable application fee (check or money order made payable to Felician College)

WHEN TO APPLY

Felician College offers rolling admission. This means we will accept applications on an ongoing basis throughout the year. However, we recommend submitting your application as follows:

- Fall Semester (September) – March 15
- Spring Semester (January) – December 1

DECISION NOTIFICATION

Generally, you should expect to receive an admission decision within approximately four weeks after we have received your completed application.

FRESHMAN APPLICANTS

In addition to submitting the materials listed above, it is also recommended that freshman applicants have completed 16 high school units in the following academic subjects:

- English 4 units
- Mathematics 2-3 units
- Science 2-3 units
- Social Studies 2-3 units
- Electives 3–6 units
  (in foreign language or other academic subjects)

TRANSFER APPLICANTS

For students who want to transfer to Felician College, we make the process as smooth as possible. We respect the time you have invested in your previous studies, and we want to help you make a successful transition. That’s why we transfer up to 90 credits from your previous institutions.

We will transfer almost any course in which you earned a C or better as long as it is not remedial. Transfer students who apply to Felician College will receive an evaluation of their credits to determine their advanced standing at Felician College, and will gain an understanding of the remaining course work required to complete a degree at Felician.

INTERNATIONAL STUDENTS

If you are an international student whose native language is not English, you must submit the results of a test of English proficiency and meet our minimum requirements:

- TOEFL IBT – 61
- TOEFL Paper Based – 500
- IELTS – 5.5
- SAT Critical Reading – 400
- Completing Level 3 of our ACES English Language Program
- ELS Level 112 Completion Certificate

If you cannot meet one of our minimum English language requirement, you have the option of applying for conditional admission and attending our ACES Intensive English Language Program. A separate application is required to apply for ACES.

A credential evaluation is required for any high school or college work completed at an international institution outside the U.S. We accept any service that is a member of the National Association of Credential Evaluation Services which can be found at naces.org.

If you require a student visa, please contact the OIP at oip@felician.edu or 201.359.6196 for more information. We also encourage you to visit felician.edu/international-students.

SCHOLARSHIPS AND FINANCIAL AID

Felician College has a commitment to making your education as affordable as possible. That is why we are one of the most affordable private colleges in the state of New Jersey. Felician College is also very generous with scholarships. Our admission scholarships are based on academic achievement and are automatically awarded to qualified students.

Additionally, students are encouraged to file the Free Application for Federal Student Aid (FAFSA) to determine their eligibility for additional need-based financial aid. Filing the FAFSA is very important because, in addition to possibly qualifying you for additional need-based grant funds, the FAFSA is the only way to qualify for low interest federal student loans. Students are encouraged to file the FAFSA by April 1 for the fall semester, or November 1 for the spring semester.

You may apply online at www.fafsa.ed.gov.
